

THE UNIVERSITY OF  
**TENNESSEE**  
HEALTH SCIENCE CENTER.

## TITLE VI NOTICE

Title VI, 42 U.S.C. § 2000d et seq., was enacted as part of the landmark Civil Rights Act of 1964. Title VI prohibits discrimination on the basis of race, color, and national origin in programs and activities receiving federal financial assistance.

**“No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”**

Because the University of Tennessee Health Science Center receives a variety of federal funding, protection under Title VI exists in all environments affiliated with our campus. If you feel that you have been discriminated against in any University of Tennessee Health Science Center-sponsored programs, facilities, or services, contact the Office of Access and Compliance.
