Specific information about the requirements for each program are available via the Applicant Information on each program's web page.

This year, in keeping with the Association of American Medical Colleges (AAMC) and Coalition for Physician Accountability recommendations, many of our programs are still offering virtual interviews only. Some programs have decided to return to in-person interviews or a combination of virtual and in-person. Our institution and programs desire to maintain a fair, equitable, and confidential interview process throughout the recruitment season. Therefore, we guarantee the following:

The UT College of Medicine - Chattanooga and our programs will neither record nor distribute any part of any interview whether conducted on a virtual platform (*e.g.*, Zoom) or in-person. This includes screenshots, still photos, audio recording, and video recording and applies regardless of whether the state in which our institution is located requires only one-party consent.

Likewise, we ask that you, the applicant, agree to the same in order to preserve the integrity of the interview process. Please enter your name in the space below and sign confirm your understanding.
