

THE UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER COLLEGE OF DENTISTRY
announces the

29th HINMAN STUDENT RESEARCH SYMPOSIUM

co-sponsored by the Hinman Dental Society with participation of the
Procter & Gamble Company & Tennessee Dental Association Foundation

FRIDAY AFTERNOON, SATURDAY, AND SUNDAY MORNING
NOVEMBER 1, 2 AND 3, 2024

at the historic Peabody Hotel in Memphis, TN

Preparations are underway at the College of Dentistry of the University of Tennessee Health Science Center for the 29th Hinman Student Research Symposium, to be held in the historic Peabody - The South's Grand Hotel. The Symposium will recognize research efforts of students nationwide.

This is your invitation to be a part of a Symposium featuring research poster and oral presentations from which abstracts will be printed and distributed nationally. The program will consist of scientific sessions with awards for the best presentations, a banquet with a nationally known speaker, exhibits, and opportunities for getting acquainted with fellow dental students as well as touring our beautiful Bluff City with a tour of Elvis Presley's Graceland mansion and visits to Beale Street, the "Home of the Blues."

We invite participation by all dental schools in the US and Canada to register for the symposium. The symposium will pay for two-nights hotel accommodations for 1(one) student from each institution. Additional students from each school are encouraged to attend, provided that their institution cover their hotel accommodations (2-night stay) at the Symposium Headquarters Hotel, at the guaranteed conference rate.

The Symposium will provide the following for **ALL** participants: registration, the welcoming banquet, breakfast for two days, lunch on Saturday, the entry fee and transportation for the Graceland visit.

Abstract submission deadline: Saturday, August 31, 2024, 11:59 pm CST
