CURRENT GRANT FUNDING

1. HRSA Nurse Education, Practice, Quality and Retention-Mobile Health Training Program (NEPQR-MHTP), 7/1/2022-6/30/2026. To strengthen the nursing workforce through education and training to provide culturally aligned quality care in rural and underserved areas and training of diverse nursing students to address and manage Social Determinants of Health (SDOH) factors and improve health equity and health literacy of vulnerable populations in rural and underserved communities through nurse-led mobile health training sites. Student Training & Education through Partnerships with Underserved Populations for Health Equity and Lifestyle Promotion (STEP UP and HELP), **Dedmon (PI)** \$3.9 million to the University of Tennessee Health Science Center College of Nursing.
2. Tennessee Commission on Aging and Disability (TCAD), 2/15/2022-9/30/2022, \$377,000 subaward to the University of Tennessee Health Science Center College of Nursing, **Dedmon (co-PI)**. Addressing COVID-19 vaccine hesitancy in six rural West Tennessee counties.
3. HRSA Advanced Nursing Education, Sexual Assault Nurse Examiners (ANE-SANE) Program, 7/01/2021-6/30/2024, Sebastian (PI), \$1.5 million to the University of Tennessee Health Science Center College of Nursing, **Dedmon (co-I)**. To advance nursing education to recruit, train and certify Registered Nurses (RNs), Advanced Practice Registered Nurses (APRNs), and Forensic Nurses (FNs) to practice as sexual assault nurse examiners (SANEs).
4. Extension COVID Immunization Training and Education (EXCITE), 6/01/2021-5/31/2023, Jarvandi (PI), \$76,349 subaward to the University of Tennessee Health Science Center College of Nursing, **Dedmon (co-I)**. To help promote vaccine confidence and uptake, the Centers for Disease Control and Prevention (CDC) and the

National Institute of Food and Agriculture have entered in to an interagency agreement to engage land-grant universities (LGUs) and the Cooperative Extension System (CES) to improve vaccination coverage in rural and other medically underserved communities.
